GOOD ADVICE.

Every patrions cilizen should give his ersonal effort and influence to increase the circulation of his home paper which he saches the American policy of Protection. It is his duty to all in this raspect tion. It is his duty bonition the vaspect or every way possible. After the home paper is taken care of, why not aubstrate for the American Economist, published by the American Protective 1278 Eagus? One of its corresponsible says: "No true American can pet along without it!" I consider it the greatest and I truest political teacher in the United States."
